

Car Spa Autowash Cafe

Description:

Detailing at Car Spa AutowashAfter the car wash, there is the option to detail your car, including steam cleaning, window washing, buffing, waxing and polishing. Car Spa Autowash Cafe also cleans the interior of your car and can perform under body detailing. These extra services ensure that your car shines stealing the centre of attention on any road. Your car will appear as an exhibit in a car showroom as you leave looking great and feeling great
