

Chips N Scratches

Description:

Chips and Scratches is your one-stop shop that can help you restore your vehicle to its former glory through repair of unsightly stone chips, scratches around keyholes and door handles and other general chips and scratches.

Chips & Scratches have been repairing paint work for over 20 years and use the very best in materials and equipment to ensure the very best finish for your car, without resprays. Don't risk mis-matched paint colours, shoddy workmanship and poor customer service. Place your trust in Chips and Scratches!

Chips and Scratches specialise in the repair of:

Stone chipped bonnets

Scrapes on colour coded bumpers

Scratches around keyholes and door handles

General chips and scratches

We can repair these problems right now - WE GUARANTEE IT!

We can come to your home or office, or alternatively, you may come to our workshop at 77 Keys Rd, Moorabbin - Melway reference 78 A8. Contact us today to make an appointment.
