

225 SLANT '6' AND 273 V8

Valiant

Valiant has more to like than ever. A new, sleek symmetry of line that is the perfect blending of function, beauty and individuality . . . All the mechanical features that have made Valiant the success it is, with each quality now developed to its highest degree of technical perfection. The well-proven 225 Slant '6' engine (nothing finer in its class), outstanding stability, ease of handling, riding smoothness, safety, and comfort. Valiant 225 available with manual transmission (now synchromesh on all forward ratios) or with TorqueFlite 3-speed automatic transmission. Valiant Regal 225 (photo front cover) has TorqueFlite standard, plus added luxury in trim and appointments.

VALIANT 225 (Manual or Automatic) & THE LUXURY VALIANT REGAL (Automatic)

Valiant Safari and Regal Safari are the station wagons that make every outing a pleasure, not a project. Power and safety to tow with ease a caravan or boat . . . Everything for station wagon living . . . Rear seat folds down in one single operation to give a full 7 feet of space between back of front seat and inside of tailgate . . . room to sleep in comfort or for all the gear you would ever want to carry. Tailgate is wide, sturdy and with low loading height. Safari station wagons are trimmed and equipped as their sedan counterparts. Regal Safari has front seat centre arm rest only. Air deflectors are mounted on the rear window pillars.

VALIANT 225 SAFARI (Manual or Automatic) & LUXURY REGAL SAFARI (Automatic)

The 273 V8 is the top performing Valiant . . . and the most luxurious. In styling it has the clean-cut Valiant lines with subtle markings to denote the V8 model. In addition, a vinyl covered roof creates a dramatic styling note. Upholstery is in sponge vinyl. Doors are trimmed to full height. Front seats are contoured, thickly bolstered. Rear seat has folding centre arm rest. Floor and boot are carpeted. White wall tyres and de luxe wheel trims are fitted. Appointments are complete. The 273 V8 has the 3-speed TorqueFlite automatic with floor console gear selector. Added safety matches the higher performance. Brakes are big, power-assisted and have finned brake drums.

PERFORMANCE WITH SAFETY THAT LETS YOU ENJOY IT... VALIANT 273 V8 & SAFARI V8
