# Tailor-made entertainment

## 1. 13, 11 OR 8 TRANSISTOR RADIO

**13 Transistor pushbutton** is Australia's most powerful car radio. Resists fading in mountains, subways, high building areas. Fully variable tone control. Static suppression switch with indicator light. 5 piece telescopic fully retractable lock-down antenna.

**11 Transistor pushbutton or manual** gives powerful, fade-free, long range performance.

**8 Transistor manual** gives medium range performance, great value for money.

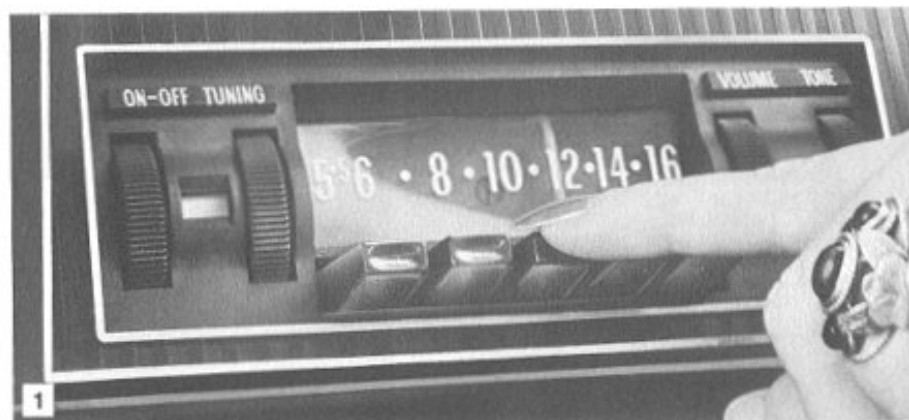

All radios have numerical dials. Single and All-State dials also available.

## 2. RADIO-STEREO CASSETTE PLAYER

The ultimate in listening luxury. This Air Chief combination radio and stereo cassette player is styled and acoustically tailored for Holden. Uses 22 transistors for the finest sound and dependability. These units operate on two speakers supplied or with four speakers using the Extension Speaker Kit for all-round stereo sound.

### EXTENSION SPEAKER KIT

Gives full stereophonic sound reproduction using four matched speakers.

## 3. REAR SEAT SPEAKER

Gives added tone and clarity, enables driver to set volume comfortably for front and rear passengers alike.

## 4. POWER OPERATED ANTENNA

Raise or lower at the touch of a single control. Slides down into fender for protection against vandals while your Holden is parked.

# Tailor-made comfort and convenience
