

Cortina Anglia Prefect Club of Australia Inc.

Description:

The Cortina Anglia Prefect Club of Aust. Inc. (CAP Club for short) offers its members a friendly meeting place for all owners of Cortinas (1962 to 1981), Anglias & Prefects (1953 onwards) and other small Ford derivative models.

There are regular club runs and social activities and access and sponsorship to the RTA's "Historic Conditional Registration Scheme". Members also receive a regular monthly newsletter which includes Club News, Reports, For Sale and Wanted notices.

Of course, if it is technical information you are after, our members are well experienced on all aspects of maintenance/repair/etc. Monthly club meetings are held in the Parramatta area. If you are in the district and own a Cortina, Anglia or Prefect, why not come along to one of our friendly monthly meetings!
