# Complete the feeling with these special Holden accessories...designed for you

## Accessories for Entertainment.

### GM-Air Chief Radio

Add to your motoring pleasure with a Car Radio — GM-Air Chief with Integrated Circuit — for inbuilt reliability, Push Button control easily

reset to automatically select other stations, Push on/off switch to avoid resetting volume control. Fully variable tone control and volume, styled for Holden with a choice of antenna types. Should your new Holden not have a Radio fitted arrange for the GM-Air Chief Accessory Radio to be installed.

### \*Radio/Stereo Cassette Player

Get set for a new high in listening enjoyment! Magnificent fidelity reproduction of cassettes, plus powerful radio reception! Operates with two speakers supplied, or with four speakers using the extension twin speakers kit for all-round stereo sound. Fast forward or reverse rewind for easy selection of recorded music. Side mounting cassettes. Fully variable tone control. Separate balance control. Automatic tape stop and eject. Altogether a great musical travelling companion.

### Fully Retractable Power-Operated Antenna

Raise or lower at the touch of a single control. It can be operated easily while on the move. Slides down into fender for protection against vandals while your car is parked.

### Extension Speaker Kits

Extra speakers make the sound richer, fuller! And they mean you can balance the volume so that it suits

everyone, in the front or back. Single rear speaker available for the GM-Air Chief Radios. Extension twin speaker kit, giving full stereophonic reproduction from four matched speakers, available for GM-Air Chief Radio/Stereo Cassette Player.

## Accessories for Added Protection.

### Front and Rear Mud Flaps

Protects panel paintwork from damage by mud, gravel and stones.

### Headlamp Guards

Chrome plated mesh protects headlamps from accidental damage. Hinged for easy cleaning of lens.

### Auxiliary Driving Lamps

Quartz halogen lamps provide long distance illumination for night driving. Automatic control through standard light dimmer switch.

### Bumper Guards

Strong overriders for front and rear bumpers. Solid rubber inserts absorb minor bumps, prevent damage to body work.

### End Gate Dust Deflector — Station Wagons

Aerodynamically shaped panel deflects windstream over rear end gate window, reducing build-up of dust and road grime, and aiding rear vision. Painted or extruded aluminium.

### Luggage Compartment Mat — Station Wagons

Safeguards floor against scuffs, scratches. Helps protect luggage.

### Insect Screen

Internal type. Keeps bugs from radiator. Easily removed for cleaning.

### Petrol Locking Cap

Extra security. Prevents petrol from being contaminated or siphoned. Attractive chrome finish. Two keys supplied with the cap.

### Door Paint Protection Plates

Prevents scratching — protects paint around door handle recesses.

# ly designed motoring pleasure.

## Accessories for Comfort & Convenience.

### Fuel Economy Indicator Light

A wonderful aid to economical driving. Light flashes on when excessive fuel is being consumed, warning driver to ease the accelerator.

### Door Pull-to Handles

Makes door closing easier. Particularly for children and older folk.

### Parcel Shelf —

Handy extra storage space for small personal belongings, parcels, books, cigarettes.

### Weathershield

Deflects rain and wind. Standard and vented types available in tinted or clear plastic.

### Sunshade

Reduces sun glare, alleviates eye strain and helps keep the interior cool and comfortable. Vinyl trim and mesh type also available.

### Venetian Shade

Adds to your car's appearance . . . shades rear seat passengers from the sun and helps keep the interior of the car cool.

### Anti-glare Rear View Mirror

Eliminates glare from following headlights. Shatterproof.

### Remote Control Mirror

Simple fingertip control even while the car is moving. Allows the driver to adjust the exterior mirror to suit any driving position. Especially handy when weathershield is fitted.

## Accessories for Added Appearance.

### Hood Ornament

Tastefully styled to add that extra touch of elegance.

### Chromed Exhaust Extension

A sporty touch that improves appearance. Available for all models.

### Wheel Opening Mouldings

Accentuate the attractive shape of the wheel opening and protect paint work from flying stones.

### Wheel Trim Rings

Smart, glamorous trim rings add another touch of styling to the Holden of your choice.

# Accessories for Towing and Touring

## Tow Bar & Tongue

Strong, reliable, GMH-designed conforming to towing regulations. Ideal for towing boats, caravans and trailers. A choice of painted or chrome-plated tongues.

## Rubber Auxiliary Rear Springs

Fit inside rear coil springs to assist in carrying heavy loads. Improves handling and ride when under load.

## 7-Pin Trailer Wiring Harness

Instant plug-in harness for tail, stop, turn-signal, clearance lamps and interior caravan light. Stows in boot when not in use.

## Superlift Shock Absorbers

Pneumatically control rear height of the vehicle when carrying heavy loads. Fits all models except One Tonner Commercial.

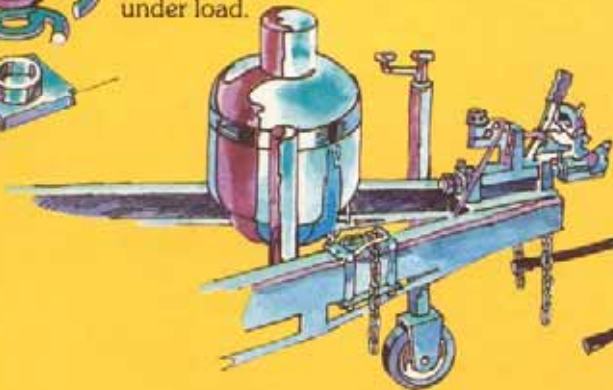

## Tripod Mirror

Essential for towing caravans and large trailers. Available for both left and right hand sides. Tripod Mirror extension available for use with existing mirrors.

## Tow Bar Load Leveller

Evens out dipping and bouncing at the tow-bar joint when towing heavy loads. Reduces strain on rear suspension. Also improves steering and braking traction when towing. Bolt-on mountings enables easy owner fitting.

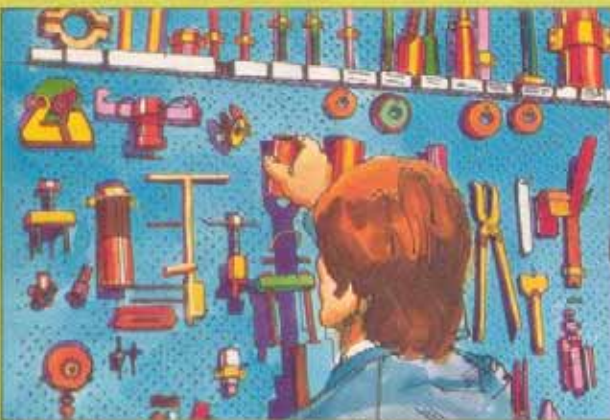

## After Sales Service

Your GMH Dealer offers quality after sales service for your Holden, both during and after expiration of the Warranty period.

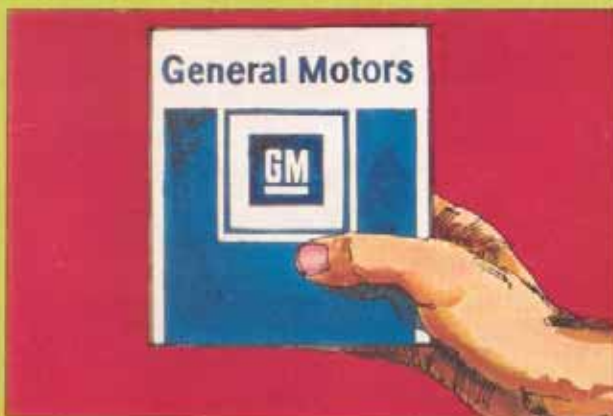

### You will benefit from:

GMH trained mechanics

Specialized equipment and GM Parts

— the replacement parts you can trust.

## Why it pays to fit accessories right from the start.

The best time to have your accessories fitted by your GMH Dealer is before you take delivery of the vehicle, as then they come under the 12/20 warranty and can be included in the repayment plan. (You can, of course, have them added later if you wish.)

Some accessories are available as options or standard equipment on certain models.

### Ask us now about the accessories available for the car of your choice.
